

September 2016

VITA

Name: Steven N. Stern

Birth: July 22, 1958; New York City, New York

Current Positions: Merrill Bankard Professor
Department of Economics, Monroe Hall
University of Virginia
Charlottesville, VA 22903
(434) 924-6754

Professor
Department of Economics
SUNY, Stony Brook
Stony Brook, NY 11794
(631) 632-1328

Home Address: 19 Bridge Road
Setauket, NY 11733

Web Page: <http://faculty.virginia.edu/stevenstern>

Education: B.A., 1979, University of Pennsylvania, Faculty of Arts and Sciences, magna cum laude in Mathematics

B.S., 1979, University of Pennsylvania, Wharton School of Commerce and Finance, magna cum laude in Finance

Ph.D., 1985, Department of Economics, Yale University

Positions: June 1979 - Dec. 1979 Research Assistant, Wharton
Econometric Forecasting Associates

Jan. 1980 - Sept. 1980 Research Assistant, ICF, Inc.
June 1981 - Sept. 1981

Sept. 1984 - June 1985 Lecturer, Yale University

Sept. 1985 - Sept. 1990 Assistant Professor, University of Virginia

July 1990 – Oct. 1990 Visiting Professor, University of Minnesota

Sept. 1990 - Sept. 1996 Associate Professor, University of Virginia

Sept. 1996 - Sept 2002 Full Professor, University of Virginia

Sept 2002 - Merrill Bankard Professor, University of Virginia

June 2016 - Full Professor, SUNY Stony Brook

Published Journal Papers:

“Promotion and Optimal Retirement,” *Journal of Labor Economics*, October 1987, 5(4): S107-S123 Part 2.

“Fertility Choice, Land, and the Malthusian Hypothesis,” with Zvi Eckstein and Kenneth Wolpin, *International Economic Review*, May 1988, 29(2): 353-361.

“Estimating a Simultaneous Search Model,” *Journal of Labor Economics*, July 1989, 7(3): 348-369.

“Measuring the Effect of Disability on Labor Force Participation,” *Journal of Human Resources*, Summer 1989, 24(3): 361-395.

“Rules of Thumb for Comparing Multinomial Logit and Multinomial Probit Coefficients,” *Economics Letters*, December 1989, 31(3): 235-238.

“The Effects of Firm Optimizing Behavior in Matching Models,” *Review of Economic Studies*, October 1990, 57(4): 647-660.

“Job Exit Behavior of Older Men,” with James Berkovec, *Econometrica*, January 1991, 59 (1): 189-210.

“Imputing a Continuous Income Variable from a Bracketed Income Variable with Special Attention to Missing Observations,” *Economics Letters*, November 1991, 37(3): 287-291.

“Imputing a Continuous Income Variable from a Bracketed Income Variable with Special Attention to Missing Observations: Errata,” *Economics Letters*, March 1992, 38(3): 373.

“A Method for Smoothing Simulated Moments of Discrete Probabilities in Multinomial Probit Models,” *Econometrica*, July 1992, 60(4): 943-952.

“A Disaggregate Discrete Choice Model of Transportation Demand by Elderly and Disabled People in Rural Virginia,” *Transportation Research*, July 1993, A-POL 27(4): 315-327.

“Ability, Promotion and Optimal Retirement,” *Journal of Labor Economics*, January 1994, 12(1): 119-137.

“Feasible Nonparametric Estimation of Multiargument Monotone Functions,” with Hari Mukerjee, *Journal of the American Statistical Association*, March 1994, 89(425): 77-80.

“Two Dynamic Discrete Choice Estimation Problems and Simulation Method Solutions,” *Review of Economics and Statistics*, November 1994, 76(4): 695-702.

“Estimating Family Long-Term Care Decisions in the Presence of Endogenous Child Characteristics,” *Journal of Human Resources*, Summer 1995, 30(3): 551-580.

“Measuring Child Work and Residence Adjustments to Parent's Long-Term Care Needs,” *The Gerontologist*, February 1996, 36(1): 76-87.

“Semiparametric Estimates of the Supply and Demand Effects of Disability on Labor Force Participation,” *Journal of Econometrics*, March/April 1996, 71(1-2): 49-70.

“Alternative Statistical Methods to Use with Survival Data,” with Fredrick Holt and Elizabeth Merwin, *Nursing Research*, November/December 1996, 45(6): 345-349.

“Approximate Solutions to Stochastic Dynamic Programs,” *Econometric Theory*, June 1997, 13(3): 392-405.

“Simulation-Based Estimation,” *Journal of Economic Literature*, December 1997, 35(4): 2006-2039.

“Semiparametric Estimation of Count Regression Models,” with Shiferaw

Gurmu and Paul Rilstone, *Journal of Econometrics*, January 1999, 88(1): 123-150.

“Strategic Play Among Family Members when Making Long-Term Care Decisions,” with Bridget Heidemann, *Journal of Economic Behavior and Organization*, September 1999, 40(1): 29-57.

“The Effect of Education Programs on Paratransit Demand of People with Disabilities,” with James Fitzgerald and Donna Shaunesey, *Transportation Research*, May 2000, A-POL 34(4): 261-285.

“A Test of Lazear’s Mandatory Retirement Model,” with Petra Todd, *Research in Labor Economics*, December 2000, 19: 253-274.

“Survival Models of Community Tenure for the Seriously Mentally Ill: A Ten-Year Perspective,” with Frederick Holt and Elizabeth Merwin, *Health Services and Outcomes Research Methodology*, June 2001, 2(2): 117-135.

“The Length of Psychiatric Hospital Stays and Community Stays,” with Frederick Holt and Elizabeth Merwin, *Virginia Economic Journal*, November 2001, 6: 1-25.

“Long-Term Care and Family Bargaining,” with Maxim Engers, *International Economic Review*, February 2002, 43(1): 73-114.

“Shared Caregiving Responsibilities of Adult Siblings with Elderly Parents,” with Tennille Checkovich, *Journal of Human Resources*, Summer 2002, 37(3): 441-478.

“Shortages of Rural Mental Health Professionals,” with Elizabeth Merwin, Ivory Hinton, and Bruce Dembling, *Archives in Psychiatric Nursing*, February 2003, 17(1): 42-51.

“Estimating Disabled People’s Demand for Specialized Transportation,” with Peter Bearse, Shiferaw Gurmu, and Carol Rapaport, *Transportation Research*, November 2004, 38(9): 809-831.

“Cohabitation, Marriage, and Divorce in a Model of Match Quality,” with Michael Brien and Lee Lillard, *International Economic Review*, May 2006, 47(2): 451-494.

“Supply, Demand, and Equilibrium in the Market for CRNAs,” with Lorraine Jordan and Elizabeth Merwin, *AANA Journal*, August 2006, 74(4): 287-293.

“Salaries, Recruitment, and Retention for CRNA Faculty,” with Lorraine Jordan and Elizabeth Merwin, *AANA Journal*, April 2008, 76(2): 89-93.

“Clinical Faculty: Major Contributors to the Education of New CRNAs,” with Lorraine Jordan and Elizabeth Merwin, *AANA Journal*, June 2008, 76(3): 167-171.

"Annual Miles Drives Used Car Prices," with Maxim Engers and Monica Hartmann, *Journal of Applied Econometrics*, January 2009, 24(1): 1-33.

“Are Lemons Really Hot Potatoes,” with Monica Hartmann and Maxim Engers, *International Journal of Industrial Organization*, March 2009, 27(2): 250-263.

“New Estimates for CRNA Vacancies,” with Elizabeth Merwin, Lorraine Jordan, and Michelle Bucci, *AANA Journal*, April 2009, 77(2): 121-129.

“Formal Home Health Care, Informal Care, and Family Decision-Making,” with David Byrne, Michelle Goeree, and Bridget Hiedemann, *International Economic Review*, November 2009, 50(4): 1205-1242.

“The Educational Pipeline for Health Care Professionals: Understanding the Source of Racial Differences,” with Ivora Hinton, Jessica Howell, Elizabeth Merwin, Sarah Turner, Ishan Williams, and Melvin Wilson, *Journal of Human Resources*, Winter 2010, 45(1): 116-156.

“Feasibility of Using Technology to Disseminate Evidence to Rural Nurses and Improve Patient Outcomes,” with Bonnie Jerome-D’Emilia and Elizabeth Merwin, *Journal of Continuing Education in Nursing*, January 2010, 41(1): 25-32.

“The Effects of Rurality on Mental and Physical Health,” with Elizabeth Merwin, Emily Hauenstein, Ivora Hinton, Virginia Rovnyak, Melvin Wilson, Ishan Williams, and Irma Mahone, *Health Services and Outcomes Research Methodology*, June 2010, 10(1): 33-66.

“Measuring the Biases in Self-Reported Disability Status: Evidence from Aggregate Data,” with Naoko Akashi-Ronquest, Paul Carrillo, and Bruce Dembling, *Applied Economics Letters*, 2011, 18(11): 1053-1060.

“Dedication to David Dean,” with Joe Ashley, John Pepper, Kirsten Rowe, and Robert Schmidt, *IZA Journal of Labor Policy*, July 2014. 3:7
DOI:10.1186/2193-9004-3-13.

“State Vocational Rehabilitation Programs and Federal Disability Insurance: An Analysis of Virginia’s Vocational Rehabilitation Program,” with David Dean, John Pepper, and Robert Schmidt, *IZA Journal of Labor Policy*, July 2014. 3:7 DOI:10.1186/2193-9004-3-7.

“Estimating Local Prevalence of Mental Health Problems,” *Health Services and Outcomes Research Methodology*, July 2014, 14: 109-155. DOI 10.1007/s10742-014-0120-2.

“Marriage, Divorce, and Asymmetric Information,” with Leora Friedberg, *International Economic Review*, November 2014, 55(4): 1155-1199.

“State Differences in the Vocational Rehabilitation Experiences of Transition-Age Youth with Disabilities,” with Todd Honeycutt, Allison Thompkins, and Maura Bardos, *Journal of Vocational Rehabilitation*, January 2015, 42: 17-30. DOI:10.3233/JVR-140721.

“The Effects of Vocational Rehabilitation for People with Cognitive Impairments,” with David Dean, John Pepper, and Robert Schmidt, *International Economic Review*, May 2015, 56(2): 399-426. DOI: 10.1111/iere.12109.

“Dynamic Modelling of Long-Term Care Decisions,” with Michelle Sovinsky, *Review of Economics of the Household*, June 2016, 14(2): 463-488. DOI 10.1007/s11150-013-9236-3.

“Youth with Disabilities at the Crossroads: The Intersection of Vocational Rehabilitation and Disability Benefits for Youth with Disabilities,” with Todd Honeycutt, Allison Thompkins, and Maura Bardos, *Rehabilitation Counseling Bulletin*, <http://rcb.sagepub.com/content/early/2015/12/31/0034355215621897.full.pdf?ijkey=z3Bt3FuAD99mQEn&keytype=finite>. DOI: 10.1177/0034355215621897.

“Variety and Experience: Learning and Forgetting in the Use of Surgical Devices,” with Kamalini Ramdas, Khaled Saleh, and Haiyan Liu, May 2016, *Management Science*, forthcoming.

“The Effects of Vocational Rehabilitation Services for People with Mental Illness,” with David Dean, John Pepper, and Robert Schmidt, *Journal of Human Resources*, May 2016, forthcoming.

Published Papers in Books:

“On the Malthusian Hypothesis and the Dynamics of Population and Income in an Equilibrium Growth Model with Endogenous Fertility,” with Zvi Eckstein and Kenneth Wolpin, in *Economic Theory of Optimal Population*, ed., Klaus Zimmerman, Springer-Verlag, Berlin, 1989.

“Search, Applications and Vacancies,” in *Advances in the Theory and Measurement of Unemployment*, eds., Yoram Weiss and Gideon Fishelson, MacMillan Press, England, 1990.

Health Care in Jamaica: Quality, Outcomes, and Labor Supply, with Victor Lavy and Michael Palumbo, *World Bank Living Standards Measurement Study No. 116*, June 1995.

“Simulation of Multinomial Probit Probabilities and Imputation,” with Victor Lavy and Michael Palumbo, in *Advances in Econometrics*, eds., Thomas Fomby and R. Carter Hill, JAI Press, 1998.

“Simulation Based Inference in Econometrics: Motivation and Methods,” in *Simulation-Based Inference in Econometrics: Methods and Applications*, eds., Roberto S. Mariano, Melvyn Weeks, and Til Schuermann, Cambridge University Press, 2000.

“Empirical Search Models,” with Jose Canals-Cerda, in *Search Theory and Unemployment*, eds., Steven Woodbury and Carl Davidson, Kluwer Academic Publications, 2002.

“The Economics of Marriage,” with Leora Friedberg, in *Economics Uncut*, ed., Simon Bowmaker, Edward Elgar Publishing, 2005.

Book Reviews:

“Search Models and Applied Labor Economics,” *Econometric Theory*, March 1990, 6(1): 107-112.

“Empirical Labor Economics,” *Industrial and Labor Relations Review*, April 1992, 45(3): 615-616.

“Disability and the Displaced Worker,” *Journal of Economic Literature*, June 1994, 32(2): 719-720.

“The Labor Market Experience of Workers with Disabilities: The ADA and Beyond,” *Industrial and Labor Relations Review*, April 2004, 57(3): 472-

473.

Reports:

Needs of People with Disabilities in Charlottesville, February 1990.

“Discrete Choice Models with Unobserved Heterogeneity: Demand for Transportation By Elderly and Disabled People,” *Technical Report for AARP* (associated with *Transportation Research* (1993) paper), May 1991.

“Discrete Choice Models with Unobserved Heterogeneity: Transportation Mode Choice By Elderly and Disabled People,” *Technical Report for AARP* (associated with *Transportation Research* (1993) paper), January 1994.

“A Community Strategic Plan for Preventing Teen Pregnancies and Sexually Transmitted Diseases,” with the Strategic Planning Work Group of the Task Force on Teen Pregnancy Prevention, September 1999.

“Supply and Demand of Nurse Anesthetists: Present and Future Projections,” with Elizabeth Merwin and Lorraine Jordan (for American Association of Nurse Anesthetists), October 2003.

“Supply and Demand of Nurse Anesthetists: Technical Appendices,” <http://www.people.virginia.edu/~sns5r/qhcsstf/aana/TechnicalAppendices.html>, with Elizabeth Merwin and Lorraine Jordan (for American Association of Nurse Anesthetists), October 2003.

“Human Services Investments for the City of Charlottesville and Albemarle County,” with the Charlottesville-Albemarle Commission on Children and Families, July 2006.

“The Costs and Benefits of Mental Healthcare,” with Amelia McKeithen, for the Charlottesville-Albemarle Commission on Children and Families, May 2007.

“Cost-Benefit Analyses of Youth Development Programs,” with Nia Harrison, Nikola Juris, and Dori Stern, for the Charlottesville-Albemarle Commission on Children and Families, March 2008.

“A Preliminary Analysis of VA-DRS 1988 Applicant Cohort with Cognitive Impairments,” with John Pepper, for the Virginia Department of Rehabilitation, August 2009.

“A Preliminary Analysis of VA-DRS 2000 Applicant Cohort with Mental Illness,” with John Pepper, for the Virginia Department of Rehabilitation, August 2009.

“A Preliminary Analysis of VA-DRS 2000 Applicant Cohort Participating in PERT,” with John Pepper, for the Virginia Department of Rehabilitation, August 2009.

“Estimates of the Number of Local People with Mental Health Problems and the Community’s Capacity to Provide Help,” with Ali Taylor, for the Community Mental Health and Wellness Coalition, February 2010.

“Final Report on Cost/Benefit Analysis,” January 2013.

“State Differences in the Vocational Rehabilitation Experiences of Transition-Age Youth with Disabilities,” with Todd Honeycutt, Allison Thompkins, and Maura Bardos (Mathematica), for Social Security Administration, June 2013.

“A Preliminary Analysis of VA-DRS 2000-2007 Applicant Cohorts with Autism,” with David Dean, John Pepper, and Robert Schmidt.

“Youth with Disabilities at the Crossroads: The Intersection of Vocational Rehabilitation and Disability Benefits for Youth with Disabilities: Draft Report,” with Todd Honeycutt, Allison Thompkins, and Maura Bardos, for Social Security Administration, December 2013.

“A Preliminary Analysis LTESS Receipt and Expenditures Using Data on the VA-DARS 2000 Applicant Cohort,” with John Pepper and Robert Schmidt, for Virginia Department for Aging and Rehabilitative Services, May 2014.

“Preliminary Maryland 2007 DORS Data Description,” with Robert Froehlich, John Pepper, and Robert Schmidt, for Maryland Department of Rehabilitative Services, January, 2015.

“Preliminary Oklahoma 2007 DORS Data Description,” with Robert Froehlich, John Pepper, and Robert Schmidt, for Maryland Department of Rehabilitative Services, January, 2015.

Unpublished Papers (under review at major journals):

“Automobile Maintenance Costs, Used Cars, and Adverse Selection,” with

Maxim Engers and Monica Hartmann, November 2012 (under revision for the *Journal of Econometrics*).

“Will You Still Want Me Tomorrow? The Dynamics of Families’ Long-Term Care Arrangements,” with Michelle Sovinsky and Bridget Hiedemann, January 2013 (under revision for *Journal of Human Resources*).

“O Brother Where Art Thou? We Need Your Help,” June 2014.

“The Effects of Youth Transition Programs on Labor Market Outcomes,” with David Dean, John Pepper, and Robert Schmidt, August 2014.

“Cost and Service Variation Across Community Service Boards for Mental Health Services in Virginia,” with Caruso Brown and Dina Guo, January 2015.

“Effect of Medicaid on Mental Health Care Use and Cost,” with Caruso Brown and Dina Guo, January 2015.

“Examining the Impact of Vocational Rehabilitation: A New Paradigm,” with David Dean, Robert Schmidt, Kirsten Rowe, Joseph Ashley, John Pepper, and Michael O’Brien, February 2015 (under revision for *Journal of Rehabilitation Administration*).

“Variation in Mental Illness and Provision of Public Services in Virginia,” with William Johnson, Michael LaForest, and Brett Lissenden, March 2015 (under revision for *Health Services and Outcomes Research Methodology*).

“State Vocational Rehabilitation Agency Provision of Postsecondary Education for Transition-Age Youth with Serious Mental Illness,” with Todd Honeycutt and Priyanka Anand, January 2016 (under revision for *Psychiatric Rehabilitation Journal*).

“Wald Test for Common Mean Probabilities across Geographic Areas,” with Michael LaForest, September 2016.

Working Papers and Work in Progress:

“Discrete Choice Models and Unobserved Heterogeneity,” March 1990.

“Estimating the Choice of Search Methods Using Economic Necessary First Order Conditions,” with David Blau, August 1991.

“Nonparametric Hazard Rate Estimation,” with Shiferaw Gurm and Paul Rilstone, November 1994.

“Ten-Year Longitudinal Study of State Mental Hospital Utilization and Community Tenure,” with Jessica Berman, Betty Cook, Fredrick Holt, Xiaohoa Li, and Elizabeth Merwin, January 1999.

“Psychiatric Hospital Medicare Outcomes,” with Lisa Eorio and Elizabeth Merwin, October 1999.

“Diagnosis Measurement Error and Instrumental Variables,” with Donna Chen, Brent Kreider, and Elizabeth Merwin, November 1999.

“Medicare Mental Health Care: Effect of Race, Rurality, and Income on Community Tenure and Hospital Stays for the Disabled and Elderly,” with L. Friel, Frederick Holt, and Elizabeth Merwin, October 2000.

“Cohabitation, Marriage, and Divorce in Equilibrium,” with Michael Brien and Shannon Seitz, December 2001.

“Adverse Selection and Dynamics in the Used Car Market,” with Maxim Engers and Monica Hartmann, (work available at <http://www.people.virginia.edu/~sns5r/resint/empiofstf/empio.html>), November 2002.

“The Production Function for Surgeries with Special Emphasis on Anesthesia Provision,” with Lorraine Jordan and Elizabeth Merwin, June 2004.

“Impact of Socio-Economic Characteristics, Supply of Providers, and Personal Characteristics on Health Status, Mental Health Status, and Health Utilization,” with Elizabeth Merwin, Emily Hauenstein, Melvin Wilson, Ivora Hinton, Virginia Rovnyak, Ishan Williams, and Irma Mahone, June 2008.

“Entry Games with Continuous Choice Variables,” with Michelle Goerree, March 2010.

“The Effects of Vocational Rehabilitation for People with Physical Impairments,” with David Dean, John Pepper, and Robert Schmidt, December 2011.

“Translation of Correlation in Latent Variables into Correlation in

Observed Variables,” with Michael LaForest, August 2016.

Seminars and Other Presentations:

Cornell University, August 1983, “Search, Applications, and Vacancies.”

Goldwater Conference on the New Economics of Personnel, April 1986, Tempe, “Promotion and Optimal Retirement.”

Sapir Conference on Unemployment, June 1987, Tel Aviv, “Search, Applications, and Vacancies.”

Econometric Society Summer Meetings, June 1988, Minneapolis, “Job Exit Behavior of Older Men.”

NBER Summer Institute on Aging, July 1988, Cambridge, “Job Exit Behavior of Older Men.”

Georgetown University, September 1988, “Measuring the Effect of Disability on Labor Force Participation.”

University of Kentucky, October 1988, “Job Exit Behavior of Older Men.”

National Rehabilitation Association Government Affairs Summit, April 2016, “NIDLRR VR-ROI Project: Not Your Father’s ROI,” with Joseph Ashley, Chris Clapp, Maureen McGuire-Kuletz, and Robert Schmidt.

CSAVR, Advisory Council Meeting, April 2016, “Progress on Evaluation of Vocational Rehabilitation Programs,” with Joseph Ashley, Chris Clapp, Robert Froehlich, Maureen McGuire-Kuletz, James Rothrock, Kirsten Rowe, and Robert Schmidt.

Annual Summit on Performance Management in Vocational Rehabilitation, September 2016, “WIOA and the VR ROI Project: Thoughts and Opportunities,” with John Pepper and Robert Schmidt.

Graduate Student Advising:

Kun Soo Choi - 5/90. “Wages and Employment Negotiations, and Econometric Tests of the Nash-Zeuthen and Raiffa/Kalai-Smordinsky

Bargaining Models.”

Seunghee Han - 8/90. “Wages, Amenities and Labor Supply Responses in the Physician Services Market.” Placement: Korean Government.

Barbara Steinberg Schone - 1/91. “The Labor Supply Effects of Government Transfers in Cash and in Kind.” Snavely Award for the Best Dissertation. Placement: Vanderbilt University, Department of Economics.

Derek Neal - 1/92. “Inter-Industry Variation in Wages and Turnover.” Placement: University of Chicago, Department of Economics.

Michael Palumbo - 5/92. “Health Uncertainty and Optimal Consumption Near the End of the Life Cycle.” Placement: University of Houston, Department of Economics.

Richard Shipe - 5/92. “Cost and Productivity in the U.S. Urban Bus Transit Sector, 1978-89.” Placement: US Army.

Daniel Zabinsky - 1/94. “Reform of the Tax Preference for Employer-Provided Health Insurance: An Econometric Analysis.” Placement: AHCPR.

Amy Crews - 7/94. “Self-Selection and Administrative Selection in the Estimation of the Effects of In-Kind Transfers.” Placement: Syracuse University, Public Policy School.

Todd Stinebrickner - 1/96. “A Dynamic Discrete Choice Model of Teacher Attrition.” Placement: University of Michigan (Population Studies Postdoctoral program); Western Ontario University (permanent).

Catherine O'Connor - 4/96. “Early-Out Incentives: A Case Study of the U.S. Army Officers.” Placement: Ohio State University, Department of Economics.

Chris Swann - 4/96. “A Dynamic Analysis of Marriage, Labor Force Participation, and Participation in the AFDC Program.” Snavely Award for Best Dissertation. Placement: State University of New York, Stony Brook.

Jessica Horewitz - 1/97. “Are Team Owners in the National Football League Profit Maximizers.” Placement: Putnam, Hayes, and Bartlett.

Fredrick Holt - 4/97. “The Family's Decision to Migrate: A Dynamic

Analysis.” Placement: Bureau of the Census.

Allison Ivory - 4/97. “The Effect of the 1986 Tax Reform Act on Labor Supply and Tax Compliance.” Placement: Joint Committee on Taxation.

Benjamin Scafidi - 9/97. “Neighborhood, Housing, and School Choice.” Placement: New York University, Law School (Research Associate, 2 years); Georgia State University (permanent).

Mikel Ham - 5/98. “Rental Car Service Tenure and Downstream Vertical Integration in the Automobile Industry.” Placement: Economic Analysis Corporation.

Jose Canals-Cerda - 7/98. “Identification in Empirical Search Models.” Snavelly Award for Best Dissertation. Placement: University of Colorado.

Monica Hartmann - 8/00. “An Examination of Safety Provision and Tax Policy in a Structural Model of the Airline Industry.” Placement: St. Thomas University.

Michelle Sheran - 6/01. “The Career and Family Decisions of Women: A Dynamic Analysis of Labor Force Participation, Schooling, Marriage, and Fertility Decisions.” Placement: University of North Carolina, Greensboro.

Brian McManus - 8/01. “Nonlinear Pricing in an Oligopoly Market: The Case of Specialty Coffee.” IJIO Prize for Best Paper by a Young Economist, Snavelly Award for Best Dissertation. Placement: Olin School of Business, Washington University in St. Louis.

Michelle Goeree - 5/02. “Informative Advertising and the US Personal Computer Market: A Structural Empirical Examination.” Young Economist Essay Prize, (EARIE) European Association for Research in Industrial Economics, 2003, Snavelly Award for Best Dissertation. Placement: University of Amsterdam

Kara Olson - 9/03. “The Causes and Consequences of Dumping.” Placement: American University.

Jessica Howell - 11/03. “A Structural Equilibrium Model of the Market for Higher Education: Assessing the Impact of Eliminating Affirmative Action.” Placement: California State University, Sacramento.

Paul Sullivan - 8/04. “A Dynamic Analysis of Educational, Occupational, and Inter-firm Mobility Decisions.” Placement: University of Michigan

(Population Studies Postdoctoral program); Bureau of Labor Statistics (permanent).

David Byrne – 5/05. “Unemployment Insurance in an Empirical Sequential Search Model.” Placement: Federal Reserve Board.

Kenneth Wilbur – 6/05. “Not All Eyeballs are Created Equal: A Structural Equilibrium Model of Television Advertisers, Networks, and Viewers.” Frank M. Bass Award for (best marketing paper derived from a Ph.D. thesis in *Management Science* or *Marketing Science*). Placement: University of Southern California, Marshall School of Business.

Loren Smith – 8/05. “Optimal Buying and Selling of Durable Goods: The Case of Commercial Aircraft.” Placement: Federal Trade Commission.

Paul Carrillo – 8/05. “An Equilibrium Search Model for Buyers and Sellers and an Empirical Application for the Real Estate Market.” Snavely Award for Best Dissertation. Placement: George Washington University.

Beth Freeborn – 12/05. “Drug Laws and the Market for Cocaine.” Placement: College of William and Mary.

Naoko Akashi – 8/06. “The Effect of Hospitals-Insurers Interaction on Medical Care Pricing.” Placement: California State University, Fullerton.

Keith Brand - 10/06. “Equilibrium Product Characteristics in Health Insurance Markets: An Analysis of Medicare+Choice.” Placement: Federal Trade Commission.

Marc Santugini – 5/07. “Social Learning in the Motion Picture Market.” Placement: HEC Montreal.

Catherine Tyler Mooney – 6/07. “Evaluating the Impacts of Consolidation in the Radio Industry.” Placement: University of Oklahoma.

Scott Davis – 8/07. “A Structural Model of the Effects of Housing Vouchers on Housing Consumption and Labor Supply.” Placement: CNA Corporation.

Sarah Simmons – 11/07. “Welfare (to School?) to Work: How Welfare Reform Affects Collegiate Attainment.” Placement: Rhodes College.

Jason Hulbert – 11/07. “A Dynamic Model of Multi-product Firms: Advertising and Product Menu Choice in the Ready-to-Eat Cereal

Industry.” Placement: College of William and Mary.

Olexander Zhylyevskyy – 5/08. “A Bad Peace is Better Than a Good War: A Structural Model of Marital Disagreements.” Placement: Iowa State University.

Eric Fesselmeyer – 12/08. “Learning and Product Selection: An Empirical Model of Monopoly Behavior.” Placement: National University of Singapore.

Jonathan Williams – 3/09. “The Causes and Welfare Consequences of Predation: A Dynamic Equilibrium Model of the Airline Industry.” Snavelly Award for Best Dissertation. Placement: University of Georgia.

Daniel Becker – 4/09. “Tradeoffs Between Wages and Other Job Characteristics With an Application to UI.” Placement: Federal Trade Commission.

Uma Radhakrishnan – 5/10. “A Dynamic Structural Model of Contraceptive Use and Employment Sector Choice for Women in Indonesia.” Placement: US Bureau of Census.

Gihoon Hong – 11/10. “US and Domestic Migration Decisions of Mexican Workers.” Placement: Indiana University, South Bend.

Shuna Wang – 5/11. “The Entry Deterrence Effect of Authorized Generic Drugs: A Dynamic Reputation Model of a Fighting Brand in the Pharmaceutical Industry.” Placement: Fannie Mae.

Roméo Fontaine, Université Paris-Dauphine – 6/11. “Le Soutien Familial aux Personnes Âgées Dépendantes: Analyses Micro-Économétriques des Comportements Individuels et Familiaux de Prise en Charge.”

Adam Hyde – 3/12. “A Structural Model of Obstetrician Location and Treatment Decisions.” Placement: Wake Forest University School of Business.

Yiyi Zhou – 4/12. “Bayesian Estimation of a Dynamic Equilibrium Model of Pricing and Entry in Two-Sided Markets: Application to Video Games.” Snavelly Award for Best Dissertation Proposal, Snavelly Award for Best Dissertation. Placement: SUNY, Stony Brook.

Kang Jian – 5/12. “When Are the Tickets Cheapest? A Structural Model of an Airline's Dynamic Pricing under Fixed Capacity.” Placement: Bank of

America.

Mariucz Kolczykiewicz – 7/13. “The Impact of the Mother's Decision to Marry on Child Outcomes.” Placement: Acumen.

Chris Clapp – 7/13. “Should My Car Move or Should We? An Intra-Household Model of Residential and Commuting Choices.” Placement: Florida State University.

John Eggleston – 3/14. “Spousal Labor Supply and Unemployment: Estimates from a Household Search Model.” Snavelly Dissertation Proposal Prize. Placement: US Bureau of Census.

Charles Murry - 4/14. “Strategic Advertising in Vertical Relationships.” Snavelly Dissertation Proposal Prize, Snavelly Award for Best Dissertation. Placement: Pennsylvania State University.

Haiyan Liu – 6/14. “Informative Advertising with Signaling Role and Social Learning in the Motion Picture Industry.” Snavelly Dissertation Proposal Prize. Placement: University of Southern Florida.

Catherine Alford – 4/15. “High Today versus Lows Tomorrow: An Analysis of How Substance Use Affects Education and Career Paths.” Snavelly Award for Best Dissertation Proposal. Placement: Analysis Group.

Matthew Shi – 6/16. “Catching (Exclusive) Eyeballs: Multi-Homing and Platform Competition in the Magazine Industry.” Placement: Chinese University of Hong Kong.
