Scott has been easily the best Batten TA. He was well qualified, very knowledgeable, and fun! He was easily able to help us understand the material covered in class better. Thanks, Scott! Rehire him!

Scott was a GREAT TA. He was very hardworking and always came prepared to class. He was good at using STATA, and anything he couldn't figure out he came prepared next class with the answer. He should definitely TA this class again if he's available.
