Whether you're looking for the fastest connections or you plan to take your Jaz® drive on the road, Iomega® offers a wide range of accessories to help you make the most of your Jaz drive.

Get the right connections
Ready to unleash the performance of your Jaz® drive? We've designed all the options you need to connect your Jaz drive to any Mac®, PC or Notebook computer.

Get Jaz® to Go
You can take your Jaz® drive and disks wherever you go—safely and conveniently. So whether your Jaz drive rides shotgun as you travel the world or you simply use it now and then to organize your life, it’s a convenient, portable, all-in-one storage solution.

Expand Your Storage Capacity
With a Jaz® drive, expanding is easy. Just grab a Jaz disk and you’ve got another 1 or 2 Gigs of storage space at your fingertips. Add new disks to your collection whenever you feel the need. Just remember that buying multi-disk packages is the best way to get true value from your Jaz drive—and Jaz disks.
